Albany Atlas, a well-known Democratic paper, and actually the chosen paper of the Pierce Administration and a fierce supporter of the Free-soil, Administration wing of the New York and separate themselve from all section-distance and event the management of the Democrat, "a well-known leading organ" of the Democratic abolition party of Illinois. The editor trees to put the saddle on the wrong horse as to these quotations, but has not a word to say about the overwhelming testimony of the Charleston Mercury and Rielmond Examiner. They corroborate the opinions of the Albany Atlas and Chicago Democrat. They are Southern Anti-American organs and are even more candid than this very case dee tor of the Democrat. Who is "Emers?" She writes of her occasion, and the Captain, and the Captain, and a first consumption of New York and separate themselves from all section-distance and the company of men in this native soil.—Curcumant Enquirer.
